Another Scientific Wonder! DR. J. S. HOUCHTON'S

DIGESTIVE FLUID,

GASTRIC JUICE

Prepared from RENNET, or the fourth STOM-ACH OF THE OX, after directions of Baron Liebig, the great Physiological Chemist, by J. S. HOUGHTON, M. D., Philadelphia, Pa. This is a truly wonderful remedy for Indigestion, Dyspessia, Jaundice, Liver Complaint. Constipation and Debility, curing after Nature's awa method, by Nature's own agent, the Gastric Juice.

Constipation and Dentity, Curing and Towards own method, by Nature's own agent, the Gastric Juice.

In Italia teaspoonful of Persin, infused in water, will digest or dissolve Fire Pounds of Roust Bref in about 2 hours, out of the stomach.

PEPSIN is the chief element, or Great Digesting Principle of the Gastric Juice—the Solvent of the Food, the Purifying, Preserving & Stimulating Agent of the Stomach and Intestines. It is extracted from the Digestive Stomach of the Ox, thus forming an Artificial Digestive Fluid precisely like the natural Gastric Juice in its Chemical powers, and furnishing a Complete and Perfect Substitute for it. By the aid of this preparation the pains and evils of Indigestion and Dyspepsic are removed, just as they would be by a healthy stomach. It is doing wonders for Dyspeptics, curing cases of Debility, Emaciation, Nervous Decline and Dyspeptic Consumption, supposed to be on the verge of the grave. The scientific evidence upon which it is based is in the highest degree curious and remarkable.

Scientific Evidence.

Scientific Evidence.

Baron Liebig in his celebrated work on Animal Chemistry says: 'An Artificial Digestive Fluid, analogous to the Gastric Juice, may be readily prepared from the nuccous membrane of the stomach of the Calf, in which various articles of food, as meat and eggs, will be softened changed and digested, just in the same manner as they would be in the human stomach.'

as they would be in the human stomach.'

Dr. Combe, in his valuable writings on the Physiology of Digestion, observes that 'a dimination of the due quantity of the Gastric Juice is a prominent and all-prevailing cause of Dyspesia; 'and he states that a distinguished professor of medicine in London, who was severely afflicted with this complaint, finding every thing else to fail, had recourse to the Gastric Juice obtained from the stomachs of living animals, which proved completely successful.'

Professor Dunglism, of the Jefferson College,

mals, which proved completely successful.

Professor Dungitison, of the Jefferson College, Philadelphia, in his great work on Human Paysiology, devotes more than fifty pages to an examination of this subject. His experiments with Dr. Beaumont, on the Gastric Juice obtained from the living human stomach and from animals, are well known. 'In all cases,' he says, 'digestion occurred as perfectly in the artificial as in the natural digestions.'

as in the natural digestions."

AS A DYSPEPSIA CURER,
Dr. Houghton's Pepsia has produced the most marvellous effects in curing cases of Dobility, Emaciation, Nervous Decline and Dyspeptic Consumption It is impossible to give the details of cases in the limits of this advertisement, but authenticated certificates have been given of more than two hundred remarkelbe cures, in Philadelphia, New York and Hoston alone.—These were nearly all desperate cases, and the cures were not only rapid and wonderful, but permanent.

permanent.
It is a great Nervous Antidote, and particularly useful for tendency to Bilious disorder, Liver complaint, Fever and Ague, or badly treated Fever and Ague, and the evil effects of Quinine, mercury and other drugs upon the digestive organs, after a long sickness; also for excess in eating and the too free use of ardent spirits. It almostreconciles health with intemperance.
Old Stomach Complaints. There is no form of old Stomach Complaint

There is no form of old Stomach Complaints which it does not seem to reach and remove at once. No matter how had they may be, it gives instant relief! A single dose removes all the unpleasant symptoms; and it only needs to be repeated for a short time to make these good effects permanent. Purity of Blood and Vigor of Body follow at once. It is particularly excellent in cases of Nausea, Vomiting, cramps, soreness of the pit and stomach, distress after eating, low, cold state of the blood, heaviness, lowness of spirits, despondency, emaciation, weakness, tendency to insanity, suicide, &c. Dr. Houghton's Pepsin is prepared in Powder and in Fluid form; and in Prescription vials for the use of Physicians.

Private Circulars for the use of Physicians Private Circulars for the use of Physicians may be obtained of Dr. Houghton and his agents describing the whole process of preparation and giving the authorities upon which the claims of this new remedy are based.
